Core package from Witchford village College	to provide children opportunities to compete in different competitions coaching key skills in multi skills KS1(5 weeks) and football lower key stage 2 (5 weeks) networking meetings primary leadership training (yr6)	Every child in the school has been involved in a sporting event this year. The school represented the area in the small school athletics at the school games. Children have experienced playing sport away from home. Resilience has increased due to participation. This is starting to impact on resilience in the classroom.	£1,320
Provide subsidised after school Multi Activity/PE clubs. Premier Sport 2 sessions per week 1 outdoor sport ,1 inside sport change half termly	Widen participation, encouraging the least active children to attend. Numbers attending improve.	Attendance at sporting clubs this year has increased. All children have had access to these. Children are gaining awards in Gymnastics and Dodgeball has become very popular with one pupil finding a team to join and playing in a national competition with the team.	£1,747.50
Lunchtime clubs for all children to actively get involved in	Widen participation, encouraging the least active children to attend. A different club each lunch hour to give a range of physical activity	At lunchtime all children are active. There are hardly any incidents of poor behaviour at lunchtime.	£7,434.50

Breakfast club	To provide activity at the start of the day to aid children's concentration later on in the day.	This has been slow to get going but more families are taking up the opportunity to join the club. The children attending are having a calm start to the day and this has been particularly noticeable for a couple of pupils who find it difficult to concentrate in school. Breakfast club enables them to achieve more in the school day. 35/74 47% of the school have accessed this provision.	Cost £2740 After parental contributions
Golden mile daily activity	Get children active and help them to sustain concentration	Children have an activity break time in the afternoon to complete this, children are building up stamina.	Part of Premier Sport
Sports crew training	Develop leaders within school to organise events	A sports crew has been trained and set up. They have organised some activities in the school. The children involved have become more confident and resilient as a result of this opportunity.	£75
Transport to sporting events	Transport for up to 10 sporting events via the Witchford partnership	Without this we wouldn't be able to take part in these events. This funding has enabled us to take up a lot of the opportunities available for us in the region.	£950
Equipment Balance bikes 5 large and 5 small Restocking equipment in sports cupboard	To develop gross motor skills in reception children Quality equipment for the children to use	The development of gross motor skills has had an impact on the children's fine motor skills which has enabled the children in Foundation to gain a higher GLD in writing this year.	£1270
