

CONSENT FOR ACTIVITIES

PRIORITY 1 CONTACT

We ask parents/carers for consent giving us your permission to take children out of school on short trips around the village and as far as Ely. This covers trips to church, village studies, and swimming in Ely etc. and means we can inform you of these trips without asking for the return of a consent form for each one.

We also ask permission for your child to take part in various food tasting activities.

This consent form is for the school life of a child. You will still be informed about trips, and longer trips further than Ely will still require the completion of a consent form.

Please complete the consent request below;

INTERNET SAFETY AGREEMENT

At Mepal and Witcham Primary School we believe that Information and Communications Technologies create valuable opportunities to improve children's learning by extending the range of information and resources they can encounter. As the Internet is a major part of the National Curriculum, we offer pupils **supervised** access to the Internet.

Before the school allows children to use the internet they must have parental permission. Below explains the policy of the school.

- ❖ We expect all pupils to listen carefully to the instructions of adults whilst using Information and Communication Technology.
- ❖ Any e-mails must be checked by an adult before being sent.
- ❖ E-mails must only be sent to people approved by the teacher using suitable learning platforms.
- ❖ We expect pupils to ensure that language they use is appropriate and must not be considered to be "bullying behaviour".
- ❖ Pupils can only use the internet under supervision of a teacher and must only use sites approved by that teacher.
- ❖ Computers should only be used for school work unless permission has been granted by the Head teacher.
- ❖ No computer files may be downloaded to the computer from the Internet.
- ❖ No programs on disc or CD Rom should be brought in from home for use in school.
- ❖ Homework completed at home may be brought in on disc but this will have to be virus scanned by the teacher before use.
- ❖ Personal printing is not allowed on our network for cost reasons.
- ❖ No personal information such as phone numbers and addresses should be given out and no "chat rooms" will ever be used.
- ❖ Any pupil disregarding these expectations will be warned and may be denied access to the Internet resources.

I have read through this agreement and have discussed it with my child. We agree to these safety restrictions (please tick the box to confirm)
